

BRS 40/1000 C

Floor scrubber for cleaning and stripping smooth and structured floors. Additional applications see also: Polishing hard floors and shampooing carpets.

1 Contra-rotating rollers keep the machine from wandering

- Unlike single-disc machines, the machine will not drift and is therefore easy and safe to manoeuvre.
- This makes it easy to clean edges and corners.

2 Low machine height

- Due to the horizontally arranged motor, the ground clearance is only 13.5 cm.
- This allows it to reach under furniture, heaters, separating walls or wall-mounted toilets.

3 Fresh water pump

- For uniform detergent application.

4 Contra-rotating rollers

- Clever twin roller system with high contact pressure and scrubbing performance - even crevices are perfectly cleaned.

BRS 40/1000 C

- The flattest device in its class
- With contra-rotating roller brushes
- Incl. 10 litre fresh water tank

Technical data

Order No.	1.783-330.0	
EAN code	4039784467439	
Working width	mm	400
Working height	mm	135
Max. area performance	m ² /h	450
Rated input power / Amps	W	max. 2100
Brush speed	rpm	1000
Current type	V / Hz	220-240 / 50
Weight (with accessories)	kg	27
Dimensions (L × W × H)	mm	520 × 470 × 250
